

# Hello, Stanford Residents

## Get ready for changes to your waste services.

Stanford University has entered into a new contract with Peninsula Sanitary Service Inc. (PSSI) for waste services. The contract provides new programs and services to maintain safety and reliability, increase environmental and social responsibility, and comply with new state laws.

### Highlights Include:

- **NEW, WHEELED CARTS** for recycling, compost, and landfill along with a compost kitchen pail for easy collection and transport of food waste.
- **STREAMLINED RECYCLING** with all recyclables collected in one blue cart (paper, plastic containers, metal, glass bottles, and flattened cardboard).
- **NEW PROCESSING** agreement with a local recycling plant will increase diversion of materials from the landfill in support of Stanford's 2030 Zero Waste goal.
- **NEW OPPORTUNITIES** for collection of donations for reuse at Fall & Spring Clean-Ups.
- **ENHANCED COMMUNICATIONS** with quarterly newsletters to provide answers to common questions and inspiration to reduce waste.
- **NEW WASTE COLLECTION TRUCKS** outfitted with technology that monitors safety and waste contamination levels.
