Residential Collection Service Guide

Proud to Serve the Stanford Campus and Community

**Important information about your recycling,
compost and landfill collection services inside!**

Curbside Recycling Collection

WHAT BELONGS IN THE BLUE RECYCLING CART?

PLASTICS, METALS, & GLASS

Scrape out food scraps and keep lids on.

- Glass bottles and jars.
- Aluminum cans, foil, tin cans, and small metal items.
- Aerosol containers (*empty*)
- All plastic containers.
- Milk, milk alternative, soup, broth, and juice cartons/boxes.
- Clean and dry plastic film, such as plastic bags, bubble wrap, air pillows, etc. (*must be bundled together in a clear plastic bag*).

PAPER & CORRUGATED CARDBOARD

Keep it clean and dry.

- All paper that tears.
- Cardboard packaging, flattened.
- Brown paper bags.

NO frosted glass, mirrors, plate glass, Pyrex®, aerosol containers, or polystyrene (Styrofoam®).

NO contact with food - no pizza or donut boxes, paper plates, cups, chip bags, snack packaging, napkins or tissue.

NO batteries, CFLs, E-waste, or hazardous waste.

Please contact the Santa Clara County Household Hazardous Waste Program at hhw.org or 408-299-7300 for proper disposal of hazardous waste items.

Occasional Recycling Overflow?

If you have extra material, please place it in a paper bag next to your recycling cart for collection. Remember to flatten and place all cardboard in your recycling cart. If your cart is full, you may flatten and stack the extra cardboard next to your recycling cart for collection.

Curbside Compost Collection

WHAT BELONGS IN THE GREEN COMPOST CART?

- All food, food scraps, food-soiled paper (*pizza boxes, donut boxes, napkins*).
- Compostable plates (*Chinet® and the very inexpensive paper plates are compostable, while plates with a petroleum/plastic liner are not*).
- Compostable plastics that are labeled with the word “compostable”
- Grass clippings, flowers, leaves, weeds, brush, prunings, tree trimmings, and branches not more than 4 inches thick.
- All material must fit into the container with the lid closed.

LARGER AMOUNTS OF YARD TRIMMINGS

- Piles of yard trimmings can be collected from the ground for an additional fee.
- Piles need to be 4 feet by 4 feet and branches need to be cut into 4 foot maximum lengths.
- If branches are thicker than 3 inches or you have logs, call our office for pricing.
- PSSI also offers a backyard service and extra cart rental for an additional fee.

NO palm fronds, garbage, ashes, human or animal waste, bathroom and facial tissue, or recyclable materials.

NO sod, dirt, rock, and concrete.

(Please see *Additional Services* section for construction debris removal.)

NO batteries, CFLs, E-waste, or hazardous waste.

Please contact the Santa Clara County Household Hazardous Waste Program at hhw.org or 408-299-7300 for proper disposal of hazardous waste items.

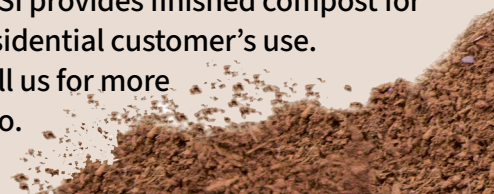

The Handy Kitchen Pail

Use the handy kitchen pail to store your food scraps and food-soiled paper until you empty it into the green compost cart. (*Do not place the pail at the curb for collection.*) Need a pail? Contact us, we will deliver one.

Compost Available

PSSI provides finished compost for residential customer's use. Call us for more info.

A large black trash bin with a yellow bag of chips and a glass of water next to it. The bag is labeled "CHIPS" in red. The glass is partially filled with water.

LANDFILL

- Plastic Utensils and Snack Packaging
- Personal Hygiene Items
- Diapers, Wipes, and Animal Waste
- Ceramics and Glassware

PROHIBITED: NO HAZARDOUS WASTE, ELECTRONIC WASTE, FOOD, PAPER, CARDBOARD, METALS, OR OTHER RECYCLABLES.

- Polystyrene (Styrofoam®)
- Chip bags, candy wrappers, and snack packaging
- Diapers and animal waste
- Personal hygiene items
- Ceramics and glassware

NO compostable materials.

ck packaging

dous waste.

Household Hazardous Waste Program
er disposal of hazardous waste items.

Please contact the Santa Clara County Household Hazardous Waste Program at **hhw.org** or **408-299-7300** for proper disposal of hazardous waste items.

Street Sweeping Service

Residential streets are swept once per week during the rainy season of October through April, and once a month during the dry season of May through September. The streets are swept the day after the streets' recycling, compost, and landfill collection day. Friday customers have streets swept on Mondays.

A large, grey, modular storage container, likely a mobile office or storage unit. It features a series of vertical dividers creating multiple compartments. A central compartment has a white label with a red logo and the text "S1". Other smaller labels are visible on the sides. The container is mounted on a single wheel at the bottom left.

Universal and Hazardous Waste

Curbside Collection For Residents

HOUSEHOLD BATTERIES: Place household batteries in a clear zip-lock style plastic bag and place on top of (*not inside*) your recycling cart.

COMPACT FLUORESCENT LIGHT BULBS (CFLS): Place in a clear zip-lock style plastic bag and place on top of (*not inside*) your recycling cart.

PLEASE NOTE: We do not accept fluorescent tubes.

Drop-off Service

For Stanford Faculty and Staff residents only (*must provide proof of residency*).

At the PSSI Office, 339 Bonair Siding Road, Stanford Campus.

Monday - Friday: 8 am - 12 pm and 1 pm - 4 pm.

ACCEPTED ITEMS

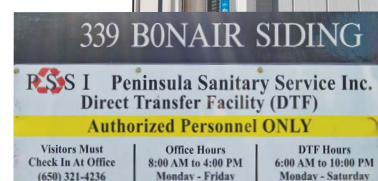

- E-waste - cell phones/wireless devices, printers, computer components, computer monitors, televisions, and empty printer/toner cartridges.
- Latex Paint - in original, non-leaking container with secure lid. (5-gallon limit per visit).
- Used Oil - in a clearly marked 1-gallon plastic container with a screw top lid (2-gallons per visit).
- Used Oil Filters - drained and placed in a clear zip-lock style plastic bag (2 per visit).
- Compact Fluorescent Light bulbs (CFLs) - in a clear zip-lock style plastic bag.
- Household Batteries - in a clear zip-lock style plastic bag.

PLEASE NOTE: We **DO NOT** accept fluorescent tubes or car batteries at our drop-off location or recycling center.

DROP-OFF INSTRUCTIONS

- Customers must sign in to drop off materials at the office and cannot drop off materials at the recycling center.
- There is no after-hours drop off.

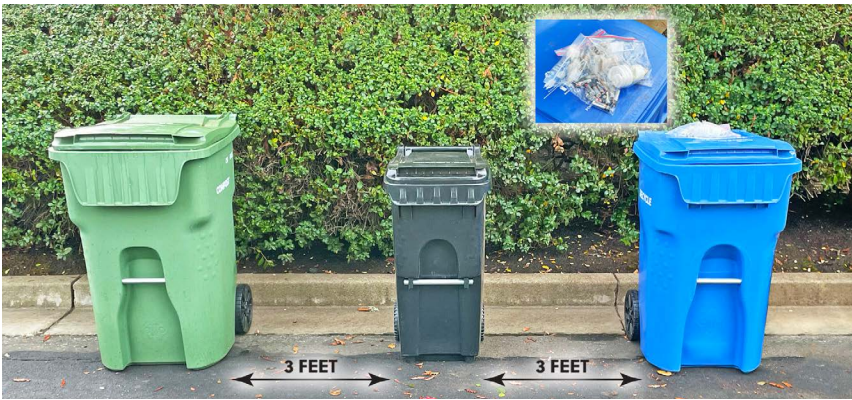

Hazardous Waste has its place... and it is *not* in any of your collection carts.

Hazardous items such as pesticides, fertilizers, pool chemicals, paint/varnish, toxic cleaning products, mercury-containing items (thermometers & fluorescent lamps), pressurized tanks, unwanted medications, and sharps (needles, lancets) need to be taken to a hazardous waste collection facility. Contact the Santa Clara County Household Hazardous Waste Program at hhw.org or 408-299-7300 for fast, free, proper disposal.

Additional Information

Proper Cart Setout for Efficient Waste Collection

- Place carts with wheels in the street in front of the curb and each cart is at least four feet from other objects or carts.
- The lid must close to protect materials from wind, weather, and critters.
- Carts should be placed on the curb, no more than 24 hours before your collection day. *(Customers with alleys should place their carts on the alley.)*

Bulky and On-Call Clean Up Collection

BULKY ITEM CLEAN UP: 2 times a year, PSSI provides a Bulky Item Pick Up day for residents at no additional cost. Look for notifications by mail and in our quarterly newsletters.

THE REUSE PROGRAM: Items in good, clean, and working condition will be collected for reuse during the bi-annual bulky item clean up. Reusable items must be set aside from other items, bagged, boxed, or bundled, weigh less than 30 lbs. each, and be labeled "REUSE". *(No furniture or large appliances are accepted for reuse.)*

ON-CALL CLEAN UP: For an additional fee, residents can schedule an individual on-call collection.
